Wednesday	15 September	Proposed Teachers Strike
------------------	---------------------	---------------------------------

The Teachers' Union (PPTA) has announced a one day strike that is provisionally set down for 15 September 2010.

As a significant number of our staff are members of the Union staffing will be reduced and uncertain.

I therefore draw the following to your attention:

Years 11, 12 and 13

SENIOR EXAMINATIONS timetabled for Wednesday 15 September **WILL CONTINUE**. Students who have exams on this day **MUST** attend.

Years 7 - 10

I ask that if at all possible parents and caregivers keep their children at home.

If this is not possible, students who arrive at school will be supervised in classrooms.

The school canteen will not be open on this day.

All buses will operate as usual. This is particularly for senior students who need to get to exams.

I apologise for any inconvenience caused by the action.
