

4 May 2020

Dear Parents/Caregivers and Whānau

Next Monday (11th May) we will have confirmation of whether we will remain in Alert Level 3 or move to Level 2 and what this will mean for schools. I will next communicate when I have more detailed information for you.

Meanwhile, a very small number of students have been attending onsite and we look forward to more in the near future. We are and will continue to follow the public health measures that have been put in place by the Ministry of Health.

Our distance learning programme is working well overall and where there have been any challenges, the Teacher, Dean, Guidance staff and other school personnel will work with you.

Following strict health protocols such as physical distancing, good hand hygiene, not touching your face, good cough/sneeze etiquette and regular cleaning of high-touch surfaces minimises any potential spread of the virus.

Please continue to stay home and keep safe.

Yours sincerely

A handwritten signature in black ink that reads 'L. J. Moore'.
